

How do I go online to pay monthly tuition through get learning?

- 1) Go to <http://www.getlearning.org/>
 - a. And follow the Youth Classes tab to reach this web address for the Itasca Orchestra & Strings Program October through May Lessons.
https://isd318.cr3.schooltoday.com/public/getcategory/program_id/42
- 2) You will reach a screen that has information regarding our Strings Program lessons.
 - a. From this page, you can add any applicable instrument rental fees to your cart. Just click the box next to the appropriate instrument rental.
- 3) Add the Itasca Orchestra & Strings Program October through May lessons into your cart.
 - a. If you are not logged in, you will be asked to log in at this time.
 - b. You will need to choose from the pop-up menu, the student for whom you are paying, the cost item (for example, \$70 monthly lesson payments).
 - c. Then proceed to the next screen to complete payment information.

*We cannot have the instrument rental and tuition payments paid for in the same screen because the payment options are set up so you can only select one payment option. The instrument rental fees are an optional additional class material therefore parents can select whatever rental is appropriate.
